CAREER SUMMARY

Junior Full Stack Developer with hands-on experience building end-to-end web applications using React.js, Next.js, Node.js, Express.js, and MongoDB. Skilled in designing REST APIs, implementing authentication (JWT, Firebase, Better Auth), integrating third-party services like Stripe and AI APIs, and deploying full-stack apps on Vercel & Render. Seeking an entry-level full stack developer role to build scalable, end-to-end products in a growth-oriented team.

TECHNICAL SKILLS

Languages: JavaScript (ES6+), HTML5, CSS3

Frontend: React.js, Next.js (App Router, Server Actions), Tailwind CSS, DaisyUI, HeroUI, Framer Motion

Backend: Node.js, Express.js, REST API Design

Database: MongoDB, MongoDB Atlas

Auth: JWT, Firebase Auth, Better Auth (Google OAuth 2.0, Email/Password)

AI Integration: Groq AI API

Tools: Git, GitHub, VS Code, npm, Vercel, Render

BEST PROJECTS

TicketBari — Online Ticket Booking Platform

[Live](#) | [Frontend](#) | [Backend](#)

Stack: Next.js 15, Express.js, MongoDB Atlas, JWT, Tailwind CSS, Stripe, Framer Motion

- Built a role-based ticket booking platform (user/vendor/admin) with JWT auth, Express.js REST API, and Stripe payment integration.
- Developed vendor dashboard with ticket management, PDF download, booking cancellation, and departure-time validation; deployed on Vercel & Render.

ConstructiON AI — AI-Powered Construction Planning Assistant

[Live](#) | [Frontend](#) | [Backend](#)

Stack: Next.js, TypeScript, Express.js, MongoDB, Better Auth, Groq AI, Tailwind CSS, Framer Motion, Recharts

- Built an AI-powered construction estimation platform generating material lists, cost breakdowns, and safety notes via the Groq AI API.
- Implemented a floating AI construction assistant chatbot, Better Auth (Google OAuth + email/password), and full saved-estimate/project management with MongoDB.

EDUCATION

Diploma in Web Technology

2022 – Expected 2026

Bhola Polytechnic Institute, Bhola, Bangladesh | CGPA: 3.10

SSC (Science)

2021

GPA: 5.00 | Bangladesh

TRAINING & CERTIFICATIONS

MERN Stack Training

2025

BD Calling Academy, Dhaka, Bangladesh

Digital Marketing Course

Jun 2024 – Nov 2024

Sr Dream IT, Bangladesh

LANGUAGES

Bengali: Native / Mother Tongue

English: Professional Working Proficiency
